Please note that the responses below will be posted on communication channel(s) of the Union.

1. Why do you want to contest for a position in the NUSSU Executive Committee?

I feel that I have the passion and experience that will propel the Union to a greater height.

2. What position(s) are you interested in the NUSSU Executive Committee?

Vice-President

3. What are your goals and directions for the Union? Why do you think the Union should head towards this direction?

I wish to see the Union to be more inclusive and relevant to the student body. We should continue to step up our efforts to strengthen the Union as a whole and ~~to~~ for students to recognise the Union as a student body as a caring and inclusive body.

4. How do you plan to achieve your directions and goals mentioned in point 3?

One possible way is to create more channels for students to voice their opinion and voices. These channels will have to be simple and accessible to the students in order for these channels to be effective.

5. Do you have any relevant past experiences?

I was in Union Camp 16 committee as a logistics member. After that, I proceeded to join the NUSU Executive committee as the Director of Logistics.

6. Do you have any other commitments in or outside of NUS?

I have no commitments in or outside of NUS.
