Please note that the responses below will be posted on communication channel(s) of the Union.

1. Why do you want to contest for a position in the NUSSU Executive Committee?

I was previously the Deputy Financial Secretary and I found role pretty fulfilling so I hope to be able to further contribute to NUSSU, be it in budgeting or improving the communication among NUSSU Exco Financial cell and the various subcommittees' treasurers.

NUSSU is a very important organisation that provided quite many welfare for students and I hope to be a part of this organisation, while also could continue learning about the various initiatives and issues pertaining to the school.

2. What position(s) are you interested in the NUSSU Executive Committee?

Financial Secretary

3. What are your goals and directions for the Union? Why do you think the Union should head towards this direction?

Inclusivity, Engagement, Relevance, Forward-looking. Union is an organisation for the student body, therefore it is definitely very important make students feel that they are included and part of NUSSU, and this can only be done by constant engagement.

Relevance is something that all organisations should aim for, we need to keep up-to-date about the issues in school so that we can actively contribute solutions or improvements. Otherwise we are redundant.

Lastly, forward-looking also ensures we will try to anticipate what problems we may have in the next few years and try to pre-empt it, or what needs will student body want so that we can implement it before it becomes an issue.

4. How do you plan to achieve your directions and goals mentioned in point 3?

To increase inclusivity, I think transparency plays a huge role, to let students know what is NUSSU doing with their money. Hence, I hope to be able to clearly publish a budget for students viewing if they wish to.

Also, targeting engagement I would hope to increase the flow of information to other clubs treasurer in particular for faster more efficient reimbursement etc. Submission of forms wise I would like to propose them to be more online so as to cut the amount of lag time.

Finally, I would continue to work with Bicom for sponsorships for student groups & maintain the platform where students has a pool of sponsors they can easily reach out to.

Relevance & forward-looking would be to scrutinise our costs to ensure NUSSU has enough fundings in the years to come.

5. Do you have any relevant past experiences?

Yes, I have been in various committees as a treasurer. In year 1, I joined International Relations Committee as a treasurer/publicity member. I also joined Ethelontex XI as Secretary/treasurer. In year 2, I did NUSU Deputy Financial Secretary and in year 3 I was Project C.A.N's Secretary/treasurer as well.

6. Do you have any other commitments in or outside of NUS?

outside of NUS, I have 2 tutees.
